19th Edition

Cost Congress 2020

International conference on Total Cost Management

27 & 28 November 2020
Virtual Conference

In the highly challenged world of business, cost pressures constantly challenge business models and their sustainability. Economics and market challenges have a striking impact on the bottom-line of businesses.

CII TCM Division's flagship event, Cost Congress 2020, 19th edition of International Conference on Total Cost Management address the current pandemic scenario and transformation of businesses. The conference would replete with cross industry learning, peer stories, and best-in-class case study presentations by both national and overseas speakers.

Cost Congress 2020 is with the motto of building 'Competitive & Self-reliant Indian Industry'
